School of Engineering

B.Tech. in Electronics and Communication Engineering

Faculty Introduction

I am presently serving as an Assistant Professor in the Department of Electronics and Communication Engineering, School of Engineering, GM University, Davanagere. I hold an M.Tech in Electronics from Visvesvaraya Technological University, Belagavi, and am currently pursuing my PhD in Electronics Engineering, focusing on image captioning, at Jain (Deemed-to-be University), Bengaluru. With over twelve years of academic experience, I emphasize student engagement and innovation through practical, project-based learning. My research interests include Image Processing, Embedded Systems, and IoT applications, and I have published several articles in international journals. I have also coordinated various technical workshops, student development programs, and institutional activities.
