GMU- Davangere - Request for Board of Studies Meeting

1 message

Dr Praveen J Director - School of Engineering - SE <directorfet.se@gmu.ac.in> Tue, Dec 19, 2023 at 4:56 PM

To: "manjunath_p@jnnce.ac.in" <manjunath_p@jnnce.ac.in>

Dear Sir,

We are writing to request for Board of Studies meeting to discuss academic matters pertaining to **GM University, Davangere.** These matters are of significant importance and your suggestions and advice will lead us in the right direction. A meeting will allow us to assess the current situation, exchange ideas, and make informed decisions that will positively impact our GM University.

Agenda:

Scheme of B. Tech Electronics and Communication Engineering UG Program

Venue: Conference hall in the 2nd Floor of Central Library, GM University Campus.

Date and Time: 26/12/2023 at 1.00 pm.

We look forward to a productive and insightful meeting that will contribute to the continued success of GM University, Davangere.

Please find the Attachment

Thank you for your cooperation.

--

Thanks with regards

Dr. Praveen J. **BE, M-Tech, Ph.D**
Director - School of Engineering,
Director - IQAC,
Professor & HOD
Department of Electronics & Communication Engineering
GM University
Davangere - 577006

Board of Studies (BoS) Meeting Agenda

Date: 26/12/2023

Chairperson: Dr. Praveen J

Agenda Items:

1. Welcome by Chairperson
2. Confirmation of Previous BoS Minutes
3. Curriculum Revision Discussion
4. New Electives and Interdisciplinary Offerings
5. Textbook and Reference Updates
6. Question Paper Pattern Review
7. Recommendations to Academic Council

School: School of Engineering

Department: Electronics and Communication Engineering

BOS MINUTES OF MEETING

Date	26/12/2023	**Time**	2.00pm to 5.00pm
School Title	School of Engineering		
Program Title	B.Tech in Electronics and Communication Engineering		

Name of the Person	Position	Signature
Dr. H.D. Maheshappa Pro-Vice Chancellor GM University Davangere – 577006 Email: pro-vc@gmu.ac.in	Chairperson	26/12/23
Dr. G. M. Patil Dean Faculty of Engineering GM University Davangere – 577006 Email: dean-fet@gmu.ac.in	Member	26/12/23
Dr. Praveen J Director School of Engineering GM University Davangere – 577006 Email: directorfet.se@gmu.ac.in	Chairman	26/12/23
Dr. Manjunath P Principal JNN College of Engineering Shivamogga - 577204 Email: manjunath_p@jnnce.ac.in	External Member	26/12/23
Dr. K M Sudharshan Professor & Director School of ECE Reva University Bangalore - 560061 Email: dir.ece@reva.in	External Member	26/12/23
Dr. H S Aravind Professor Dept. of ECE JSSATE Bangalore – 560059 Email: aravindhs@jssateb.ac.in	Academic Invited Member	26/12/23

Agenda	Review of Scheme (I Sem to VIII Sem) for B.Tech in Electronics and Communication Engineering
Recommendation made by the Expert members	• For integrated courses, it may be indicated by an appropriated/suitable course code or an "I" within brackets as suffix to the respective subject name. Ex: Advanced Calculus and Linear Algebra (I) • The suggestions are received from the experts for the Placement coordinators to collect feedback from interviewing HR's during placement selection for the students regarding their expectation. • The Research Methodology and IPR Course to be included before the start of Mini Project. **I- Semester** • Engineering Mathematics - I course name to be renamed with respect to branch of study. • Problem solving through C-Programming course has to be designed by writing the programs on the subjects/topics related to the branch of study. **II- Semester** • Engineering Mathematics - II course name to be renamed with respect to branch of study. • Problem solving through Python Programming course has to be designed by writing the programs on the subjects/topics related to the branch of study. • Analog and Digital Design Practice lab has to be separated. **III- Semester** • Engineering Mathematics - III course name to be renamed with respect to branch of study. • In Network Theory and Analysis, the concepts of RC and RLC analysis has to be included. • In Control System and Applications, the practical approach towards the design of Nyquist plot, Bode Plot etc has to be included. **IV- Semester** • Embedded System Design (8051) Course title has to be renamed as Embedded System Design and should incorporate the basics of Microprocessor and Microcontrollers with applications. • The basics of Cryptography techniques may be added in the course Exploring Information Theory. **V- Semester** • Basic concepts and application related Syllabus to be framed for Electromagnetic Wave Theory. • Analog and Digital design may be incorporated in CMOS Circuits and Layout Design Practice. • The suggestions are received by the experts to increase the number of Professional electives and Open electives based on subject domain.

Scanned with OKEN Scanner

	VI- Semester • The Course title IoT Applications in Infrastructure Design has to be modified with generic title. • Capstone Mini Project has to be renamed as Mini Project. • The Course Object Oriented Programming in C++ may be taken as Core Subject. **VII- Semester** • LTE and 5G Essentials Course title to be renamed as 5G and 6G Beyond. • The Machine Learning with Python may be opted as Professional Elective. • The course Power Electronics related to Electric Vehicle Design may be taken as professional Subject. • The NPTEL Course must be made as mandatory course.
Incorporation made in the existing program Document	1) RM & IPR Course Included in 4th Sem. 2) Analog & Digital Lab - Separated. 3) ESD(SOSI) - Renamed as ESD. 4) Cryptography Techniques Included in Exploring Information Theory. 5) IOT Application in Infrastructure Design is renamed as IOT Applications. 6) Capstone Mini Project renamed as Mini Project. 7) LTE & 5G Essentials renamed as 5G & 6G Beyond.
Proposed Next Meeting Date	March/April - 2024

21/12/2023

Dr. G. M. Patil
Dean Faculty of Engineering
