Dr. P G Halakatti College of Engineering and Technology,
Vijaypura.

Subject: Requesting to attend Board of Studies Meeting, GM University, Davanagere

To the above subject, I kindly request your presence at a Board of Studies meeting to discuss key academic matters concerning GM University, Davanagere.
Your expertise and valuable insights will greatly assist us in strengthening our academic framework and guiding our decisions in the right direction.

The meeting will provide a platform to review, discuss, and finalize important updates to the curriculum and academic structure for the following:

Agenda:

1. Revision of UG Scheme – B.Tech in Electronics and Communication Engineering
2. Revision of PG Scheme – M.Tech in Advanced Electronics and Intelligent Communication Systems

Venue: Senior Dean's Office, near Principal's Office, GMIT Block
Date & Time: 21st July 2025 (Monday) at 10:00 AM

We look forward to your esteemed participation and a fruitful discussion that will contribute to the continued academic excellence of GM University, Davanagere.
Thank you for your kind support and cooperation.

--
Warm regards

Dr. Praveen J

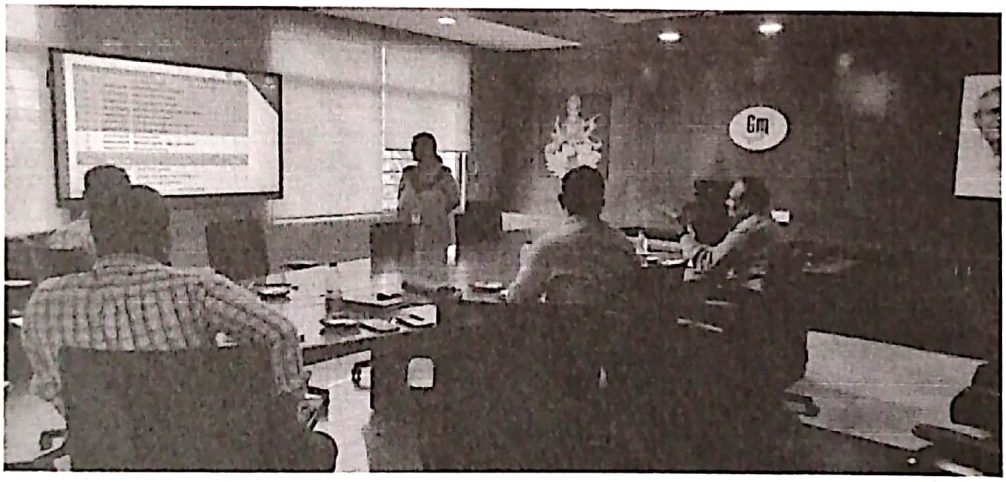
Proceedings and Recommendations:

- Increase activity-based and project-based learning components using industry-standard tools.
- Introduce real-time project work to enhance students' application-level understanding.
- It is recommended to include an AI-based course relevant to the Electronics and Communication Engineering (ECE) domain.
- Suggest increasing the internship duration in the 8th semester to provide deeper industry exposure.

Resolution BoS/03/2025: To be Forwarded to Academic Council

- Recommend incorporating NPTEL courses as part of the curriculum in the 8th semester.
- Introduce additional tutorial sessions focused on activity-based learning and skill development.
- Encourage students to participate in funded projects as part of their academic engagement.
- An AI Processor course has been added to the curriculum in the 8th semester.



21/4/25
